**SIR:**

This communication is in response to the U.S. Patent Office Action dated June 28, 2006. Enclosed is a Request for a One-Month Extension of time for Response and payment is the enclosed US Patent Office Credit card form. The one-month extension would have expired October 28, 2006, but this date was a Saturday and therefore mailing this amendment today, October 30, 2006 is timely.

The replacement drawings for Figs. 2, 3, and 4 are enclosed and now show that the spring structure that had been identified by numeral 67 has now been corrected to its proper number 65.

The specification has been amended to identify the structure that had been designated numeral 94 in Figs. 1-4.

Claims 1-14 have been canceled and new claims 22-34 had been added.
